

*11<sup>th</sup> Annual DNMC Dairy Summit- Vail, Colorado*  
*October 11-14, 2018*

---

*~Save the Date~*

**DNMC is pleased to announce the date and location for the 11<sup>th</sup> annual DNMC Dairy Summit. We have chosen the site of two previous and highly reviewed Summits- Vail, Colorado. This beautiful valley high in the Rocky Mountains is a great place to enjoy a crisp Fall morning and a warm, sunny afternoon in the middle of great mountain scenery.**

**We are returning to the Arrabelle for our venue. This hotel is a true alpine style resort. The food, views and shopping in the Lionshead Village is great. A short walk down Gore Creek takes you to all the fun that the Vail Village has to offer. Vail is a truly unique location in Colorado.**

**We will be sending more detailed information on the Summit weekend, but we will follow the same basic schedule as previous events. Arrival will be on Thursday and the meeting kicks off with a reception looking out on the majestic mountain that evening. Friday will be our industry-leading business session followed on Saturday by a day of activities in and around Vail. Departure is on Sunday.**

**As usual, our industry partners have generously offered to help make this an all-expense paid trip for you and a guest. These companies help DNMC make this event possible and we greatly appreciate their help and friendship. The camaraderie felt by attendees of the Dairy Summit is a great tradition and we look forward to it continuing this Fall in Vail.**
